

Confirmation of conformity of production

The company

Fuyao Glass Industry Group Co., Ltd.

No. 1 Area, Fuyao Industrial Zone
350301 Fuqing Fujian
CHINA

fulfills the requirements for manufacturers to ensure conformity of production according to the UN-Regulation No. 43 and schedule 1, section 2 of E/ECE/TRANS/505/Rev. 3.

The manufacturer maintains adequate measures and procedures in order to guarantee an effective control of the conformity of the produced technical units with the respective approved type.

The measures and procedures are applied in the above mentioned plant.

The company itself manages all necessary tests for control of conformity of production.

The Kraftfahrt-Bundesamt as the approval authority is authorised to verify the procedures at any time.
